

LEADER VALVES (ISO 9001)

LEADER, a pioneer in Valve industries, offers a wide range of Industrial Valves including C.M. & C.I. Gate, Globe, Check Valves (ISI/NON-ISI), Boiler Mountings viz. Junction Stop Valves, Safety Valves PRV, NRV, Globe, Blow down, Strainers, Feed Check Valves, Steam Traps, Water Level Gauge, Injector, etc. with IBR T.C. and C.C.S./F.C.S. High Pressure & High Temperature Gate, Globe & check Valves with IBR T.C.

They are available in size ranging from 6mm to 750mm and pressure rating to ASA Class-150, 300, 600, 800, BS-10 Table F, H, J, DIN STD ND-16, 40 with screwed, socket weld & flanged connections.

LEADER is one of the very few Valve manufacturers in the world, manufacturing widest range of Valves, Cocks & Boiler Mountings in different material of constructions with completely indigenous technology developed by LEADER itself through extensive research, strict quality control and continuous development.

From raw castings to finished product, every component is manufactured in LEADER's own factory under its stringent quality control. LEADER has its own fully equipped foundries for G.M., C.I., C.S. & Forging Shop for Forged Steel Valves. LEADER has its own pattern developing & designing Departments.

LEADER Valves are approved by world class inspection agencies like Llyods, Bureau Veritas, Bax Counsel, Gen. Superintendent, E.I.L., N.T.P.C. & T.D.C. used by Govt. of India, Dept. of Atomic Energy (BARC), T.I.F.R., P.P.E.D., B.H.E.L., Ministry of Defence for Warship projects, Country's biggest Ship yard & their Ship building division, Indian Railways, Government owed Refineries & Fertiliser units like HPCL, IOC, OIL, RCF,IFFCO, IPCL & ONGC, first choice by country's leading Air Conditioning expertise in their various projects throughout the country , Private, Public & Govt. owned Heavy Chemicals, Pharmaceuticals, Cement, Pulp & Paper Industries, Edible Oil Refineries, Solvent Extraction Plants, Dairy Products & Distilleries by the approval of country's prestigious Consulting Engineering firms like Dalal Consultants, Humpherys & Glassgow, Davy Power Gas, Simon Carves, Stewarts & Llyods, BST Engg. Services, Engineering Projects of India Ltd. & Many others.
